Re: Traineeship Application 2018

Dear Sirs

I wish to apply for the position of Trainee Solicitor with your firm. Since attending your Trainee Open Evening held on Tuesday evening last, I was given the opportunity to meet with partners, solicitors and trainees alike. I gained an invaluable insight into the legal profession from some of the leaders of our field. It is for this reason that I wish to begin my professional legal career with Byrne Wallace.

From my Undergraduate (DCU) background in economics coupled with my Master's Degree in Law (LLM)(TCD), I have developed a keen interest in commercial law particularly commercial litigation. I have worked in the legal industry for the past four years gaining invaluable experience in two jurisdictions and in a number of different practice areas including litigation and private client. Through the different positions I have held, I have been able to hone a valuable skill set including attention to detail, time management and leadership skills. Through my practical experience coupled with my legal education, I believe I can exceed your expectations and become part of Byrne Wallace's bright future.

Please find enclosed detailed Curriculum Vitae highlighting my relevant work experience. I would like to thank you in advance for your consideration and I would appreciate the opportunity to discuss my application further.

Yours sincerely,

Christina Seitz
