

Dear: HR Department

I would like to work here as a Trainee Solicitor here for a wide array of reasons which I will list below

Firstly, I have a lot of knowledge that can benefit your firm as I have an LLB (Bachelor of Law) from Maynooth University (Ireland) and X2 master's degrees in law (LLM) in International Business Law from Catholic University of Lyon (France) and Maynooth University (Ireland). I hope that my very strong academic record will be of relevance when deciding whether you will hire me.

When it comes to what your firm is looking for, I have the necessary qualities as I have drafted papers on a multitude of legal areas in copious quantities (usually between 3,000 – 8,000 words) that are perfectly referenced and as requested in house style. I have NEVER handed in an essay later than the deadline.

I have no criminal record and references on standby if you need them.

Thanks for your time and I hope you will consider me.

Sincerely

Conor Cusack
