Re: Byrne Wallace trainee application

To whom it may concern,

I wish to apply for a solicitor traineeship with Byrne Wallace.

Byrne Wallace is one of Ireland's most esteemed law firms – working on the most demanding transactions – and I strongly feel I possess the necessary attributes and motivations for me to contribute positively and build a successful career at Byrne Wallace. I believe I would be well suited to the traineeship.

In particular, I have over eight years of experience working in demanding banking roles at the European Investment Bank. In light of the extensive challenges and events that have arisen on deals and contracts at the EIB, I believe this experience equips me with valuable insight that would be immensely useful as a solicitor at a firm as commercially focused as Byrne Wallace.

While I thoroughly enjoy my work at the EIB, I believe a new role as a solicitor would be both personally and professionally fulfilling. I see Byrne Wallace as the ideal firm to train with.

For the above reasons I would relish the chance to work as a trainee with Byrne Wallace.

I look forward to hearing from you.

Yours sincerely,

Conor Dunne
