Dear Hiring Manager,

I would like to express my interest in the Trainee Programme available at Byrne Wallace. I'm currently a postgraduate student pursuing an LLB at UCC. With an undergraduate degree in Accounting from UCC in 2022. After reviewing the position requirements and responsibilities, I believe that my academic background, along with my knowledge and experience makes me an ideal candidate for this position.

I have a long track record of honing my skills in corporate environments ranging from auditing with Grant Thornton to regulating the transfer and settlement of shares with Clearstream CGS. I fully understand the responsibilities of working in a client-based industry. My history of success in these environments has developed my technical abilities to the point where I believe I can thrive in your firm.

My experience as a Legal Intern meant I gained a wealth of experience in various areas of law such as family, conveyancing and probate. Collaborating on multiple cases for different solicitors developed my ability to work under pressure, manage my time effectively and learn the nuances of legal correspondence. I have a passion for law and the drive to yield tangible results.

The opportunity to work in one of Ireland's top Law Firms excites me as several factors having drawn me to this role. Firstly the diversity of sectors in which the firm operates would allow me to expand my skill set. The banking and finance sector in particular would be a great opportunity to further my career and utilise my background. I also resonate with Byrne Wallace's community work be that from helping fight against homelessness or facilitating wellbeing through the firm's Mind, Body Balance Wellness Week. The firm's professional reputation and dedication to providing the best service possible leads me to believe it is a place where I can further my development.

I am a hardworking and diligent individual and my dedication to work as an integrated part of a team would make me an asset at Byrne Wallace. Please do not hesitate to contact me to discuss my application in greater depth. Thank you for your consideration and time, I look forward to hearing from you.

Yours sincerely,

Conor Kirby.
