I learned of the graduate programme of Byrne Wallace that your firm offers from my university's career service at Dublin City University and I am writing to apply.

I am currently in my final year of Economics, Politics and Law in DCU and hope to graduate with at least a 2:1.

I am very interested in becoming a solicitor when I graduate and eventually (hopefully) pass my FE-1 exams. Although my undergraduate degree includes economics and politics, I have chosen as many law modules that are on the FE-1 exams as possible so I can give myself a better chance of becoming a solicitor.

I believe that I am the right person to choose for the programme.

Please do not hesitate to contact me.

Sincerely

Derek Cervi
