Re: Application for Summer Internship 2021

Dear Sir/Madam,

I am a final year Law with Politics student at UCD Sutherland of Law from India and I would like to apply for the Summer Internship Opportunity being offered by your firm. I am currently working as a Legal Secretary at Paul O'Sullivan & Co. Solicitors since April 2019 and I have recently completed an internship in the Commercial Property Department at Fieldfisher LLP in September 2020.

I have studied modules such as Banking Law, Commercial Law, Insolvency Law, Media Law and Public International Law and I am currently studying Intellectual Property Law, Revenue Law and Law of Equity & Trusts this year. During my part-time job, I have been fortunate to observe application of law in cases relating to family law, conveyancing, immigration law, personal injuries and probate. I believe that by interning at Byrne Wallace, I would be able to gain understanding of the various areas of expertise at the firm and build on my experience & knowledge. I am particularly interested in the Financial Services Sector, Intellectual Property Department and Employment Law Department.. I believe that being an intern at your firm would help me expand my commercial awareness and in honing the skills required to be a good solicitor.

I am a detail oriented individual and have exhibited excellent verbal and written communication skills. I am a tech-savvy person and have experience in working with computers, even fixing general issues during my employment at Currys PC World. I can perform multiple tasks together effectively and efficiently. I have also exhibited research & analytical skills academically and professionally. I have assisted in research for written submissions to the European Court of Human Rights and to the Court of Appeal. I believe with these skills, I would prove to be an excellent candidate for your firm.

I would very much appreciate it if you could please consider my application for this opportunity. I look forward to hearing from you.

Yours sincerely,
Eshita Bahadur
