

COVER LETTER – Evija Vanaga

My name is Evija Vanaga and I am currently an LLM Business Law student at University College Cork (2016 – 2017). I am a first class honours BCL graduate from University College Cork where I was ranked first in my class of 51 students. I am looking to start a traineeship with Byrne Wallace in September 2018.

I believe I have the characteristics that Byrne Wallace is looking for in a perfect candidate. I am very ambitious and take new situations and work with a positive attitude. I love to challenge myself and learn new skills while working with the best people around.

I am currently studying LLM Business Law which highlights my strong interest to pursue a career in a law firm. I had legal placements for four months where I worked on corporate law issues such as Intellectual Property which also helped me to decide to pursue a career in law.

I enjoy learning about new areas of law and also debating which has helped me to improve my public speaking skills. Throughout college I did a lot of extra reading and research which helped to gain better understanding of the world of law and business. Having the experience of entrepreneurship and how business works from the Enactus society, I have a better idea of what business people are looking for when they come for advice.

I take full ownership and responsibility of the tasks and I am eager to always learn more about law. I demonstrate strong aptitude for the tasks that I undertake. I am very hardworking, highly organised and dependable. When confronted with a challenge, I focus on the solution and work towards the task being done. I have improved my organisational, communication and planning skills through my recent legal work experiences. I believe that I will be a very valuable team member of Byrne Wallace.

I am a reliable, conscientious, honest and a well - rounded young person. I am very authentic, highly organised and dependable; I can work independently and in a team on a long term basis and am determined to reach positive outcomes and achievements. Throughout the years I have taken part in a lot of activities and have proven that I can do just as well in all of them as I managed my time management well and with care.

I am eager to learn from Byrne Wallace lawyers and would love to work for a firm with a great reputation and high profile.
