27th of September 2021

As a graduate law student with a Bachelor's Degree in Law and Society from DCU, with prior experience of interning in a legal firm, I believe that I have many of the attributes and skills which make me a strong candidate for this role.

My diligent approach to work and the ability to fully apply myself and overcome challenges is evident by the fact that I am a foreign student who arrived in Ireland 4 years ago with limited English. In the interim, I have worked exceptionally hard to become fluent in English and am now multilingual with native Russian and Romanian, and basic German. My high grades indicate that I can understand, process, summarise and use complex information effectively.

One of my greatest achievements was winning the DCU ELSA Negotiation Competition, demonstrating my excellent communication skills and ability to work collaboratively. Also, as you will see in my attached resume, I have had previous experience in the legal field as a summer intern at Higgins & Associates Solicitors and as a volunteering legal secretary at FLAC DCU.

I would greatly appreciate the opportunity to meet with you to discuss what I can contribute to Byrne Wallace through this Traineeship.

*Yours Sincerely,
Gabriela Cioclea*
