

Dear Hiring Manager,

Please accept my application for the summer internship position at Byrne Wallace. As a recent Legal Graduate I am eager to gain practical experience in a reputable law firm.

During my studies, I have developed strong skills in legal research and analysis, particularly from writing my Dissertation in my LLM Degree in Queen's University Belfast. My current job as Legal Administrator in Tuath Housing Association has provided me with hands-on experience in drafting legal documents and conducting case law research, which has strengthened my attention to detail and understanding of legal procedures.

I began my studies in University College Dublin studying Social Justice and Sociology. I have a passion for Social Justice and Equality. From my four years of study, I realized the best path to take to strive for better equality was through Law, which is why I furthered my studies with an LLM. My masters gave me a great interest in the field and allowed me to realise becoming a solicitor is the path for me.

I am confident that my strong work ethic and passion for the legal field and social justice will make me a valuable addition to your internship program. Thank you for considering my application. I look forward to the possibility of discussing how I can contribute to Byrne Wallace this summer.

Sincerely,  
Holly Caffrey.
