Dear Beth Onslow,

I wish to apply for the Summer Internship Programme at Byrne Wallace. I am a third year Law student at Trinity College Dublin who achieved a high 2:1 (67%) in my 2<sup>nd</sup> year exams and was ranked joint 5/84 highest in the year. I was informed of this internship when I attended a Law School fair at Trinity College in October.

I would like to participate in the Byrne Wallace Summer Internship, as over the course of my legal studies, I have developed a particular interest in Intellectual Property Law and Data Protection. I chose IT law and Intellectual Property Law as my modules this year and an internship at Byrne Wallace would give me an opportunity to explore my interests even further. I am also attracted to the wide range of legal expertise that Byrne Wallace offers. As one of Ireland's largest law firms, Byrne Wallace is a place where I could flourish, enrich my legal skills, and experience the day to day responsibilities carried out in a legal career.

I believe that I would be a suitable candidate for the Summer Internship Programme 2017 as I am an ambitious individual who excels in performance, which can be reflected in my 2nd year exam results where I was ranked joint 5/85 highest in the year. I work to a high standard with a precise attention to detail. Through my part time job working in Hollister retail store, I have developed and enhanced my interpersonal communication skills. I am a confident communicator who understands the value of providing quality customer service to clients, as well as the importance of teamwork. I am a commercially aware individual with an entrepreneurial instinct which I developed through my part time job and through setting up my own business, "*Firegems 4 U*". Finally, I am a bilingual Spanish speaker with native oral and written communication skills. I am confident that my excellent academic achievements, personal skills, good work ethic, perseverance and ability to collaborate well with others make me a strong candidate for the Byrne Wallace Summer Internship Programme 2017.

Thank you for your time and consideration. I look forward to hearing from you.

Yours sincerely,

Jasmin Huysmans
