**Subject:** Candidacy for internship position

Dear Madam, Sir,

As I am currently looking for an internship, it allows me to offer my candidature for the position of intern in Byrne Wallace.

Indeed, my profile corresponds to the online description I saw on your site [byrnewallace.com](http://byrnewallace.com)

As a 3rd year student in private law at the University Jean Moulin Lyon 3 I specialized in tax law and corporate law. I just got my 5th semester, and I have so far acquired many skills enabled those reviews. I own the assets that will allow me to succeed in the role that you entrusted to me.

Motivation, discipline and listening are the key words of my performance.

My experience as a versatile member of McDonald's France allowed me to acquire a professional conscience and learn to work in teams, as I combined the prestige of customer service.

Incorporate your business, represents a real challenge for the future, which is essential in order to exercise the right of law.

Remaining at your disposal for any further information, I am available to correspond by mail and Skype, I invite you to visit my LinkedIn profile.

Please accept, Madam, Sir, the assurances of my sincere greetings.

Jean-Etienne Mille
