

Dear Recruitment Team,

I am writing to express my interest in the position of Trainee Solicitor at Byrne Wallace LLP. Having completed my LLB at TU Dublin I am eager to apply my academic knowledge, strong work ethic, and passion for the law to a firm with the outstanding reputation that Byrne Wallace has established in the Irish legal market.

I am particularly drawn to Byrne Wallace because of its strong commitment to client service, innovative approach to legal solutions, and the firm's broad range of practice areas, which would offer me an invaluable opportunity to develop as a well-rounded solicitor

Throughout my studies, I have developed a solid foundation in various areas of Irish and EU law. My academic background, combined with my practical experience during my time at Kennedys Law and Murray Flynn LLP has sharpened my analytical skills, attention to detail, and ability to thrive under pressure.

I am confident that my proactive approach, dedication to learning, and commitment to excellence would enable me to make a meaningful contribution to Byrne Wallace. I am enthusiastic about the opportunity to work alongside experienced solicitors and contribute to your firm's continued success while gaining the hands-on experience necessary to become a skilled and successful solicitor.

Thank you for considering my application.

Yours faithfully,

Jennifer McCarthy
