Dear ByrneWallace

Re: Summer Internship 2017

I am writing to apply for the summer internship position at ByrneWallace which was advertised on your website.

I am currently studying law in Dublin Business School. I am really interested in pursuing a career in law and would love the opportunity to experience what it is like to work in a recognised, well-established law firm like ByrneWallace.

I am enthusiastic and professional, and I believe I would fit in well in ByrneWallace. I would very much enjoy having the opportunity to interview for an intern position with you. Thank you for considering my application.

I have enclosed my CV to support my application.

I look forward to hearing from you.

Yours sincerely,

Jessi Mackey
