Ref: Trainee Solicitor

Dear Sir/Madam,

I am writing to apply for the position of Trainee solicitor as advertised online. I have completed my Final Entrance examinations passing all eight failing none and I am now seeking a training contract with a view to commencing the Professional Practice course 1 in September 2019.

I am confident and I thrive in team environments, having enjoyed sports since a young age. I also rose over €30,000 for charities in an extremely impoverished area of the world, Kolkata, India in my teenage years. I champion a culture of hard work, diligence and exuberance wherever I provide great value to the legal practice and working environment I am in.

Currently I am working at a busy mid-sized Dublin practice where I have gained experience in Probate, Conveyancing, Litigation, Personal injury, Garda compensation and Garda discipline cases. I work with excellent solicitors and every day presents a new experience, gaining me valuable insights and industry experience.

I am available for interview at any time and can be contacted on my mobile (085) 7291904. I look very much forward to your response.

Yours faithfully,

John Waters
