

Juan Carlos Deborde

BA in Criminal Justice Graduate

Dear Sir/Madam,

I am writing to express my strong interest in the internship position at ByrneWallace LLP in Dublin. As a dedicated law student with a passion for practicing law, I believe that joining your esteemed firm would provide me with invaluable experience and contribute to my professional growth.

I am currently pursuing my LLB at the University of Limerick, where I have consistently demonstrated a strong academic record and a deep commitment to the study of law. I have already graduated with a BA (1.1) in Criminal Justice. Therefore, I hope to provide an edge in the field of criminal matters. Through my coursework, I have gained a solid foundation in various areas of law, including contract law, criminal law, and constitutional law. I have developed excellent analytical and research skills, enabling me to dissect complex legal issues and present well-reasoned arguments.

I would welcome the opportunity to discuss my qualifications further and elaborate on how my skills and experiences align with the internship position at your firm. I have attached my resume for your review, which provides a comprehensive overview of my educational background, work experience, and extracurricular involvement.

Thank you for considering my application. I am eager to contribute my enthusiasm and dedication to ByrneWallace LLP and learn from the talented professionals at your firm. I look forward to the possibility of discussing the internship in more detail at your convenience.

Yours sincerely,

Juan Carlos Deborde
