Dear Sir/Madam,

My name is Laura Flanagan and I am applying for a position for your Summer Internship Programme for 2016. As a third year Law (BCL) student in University College Dublin, I am interested in a position in your company as I feel with my experience, I can thrive in such a prosperous environment.

I have legal experience as I have worked in Paul O'Sullivan & Company Solicitors as well as working in A&L Goodbody as part of its LawStart Day in 2015. My keen interest in outside curricular activities such as sport and cooking has also advanced my adaptability skills in order to prioritise between work and my interests in such.

I am an enthusiastic, hard worker and I feel the key skills of organisation, team-work and communication which I developed through my experience in sport and in the workplace will attribute to your work force immeasurably. I would like to thank you for your consideration and I am looking forward to taking my application a step further to interview at any time.

Yours sincerely,
Laura Flanagan
