Dear Sir/Madam,

Please find attached my CV in application for a place on the Byrne Wallace Trainee Solicitor Programme.

I have a number of years' experience working as a tax consultant in a large accountancy practice. I am a qualified Chartered Tax Adviser (CTA) and have experience advising personal and corporate clients across all tax heads. I have also worked on a number of Revenue audits and disclosure settlements.

I have a background in Law and hold a Bachelor's degree from the University of Limerick (LLB) and a Master's degree from the University of Cork (LLM). I am specifically interested in Byrne Wallace as a large, nationwide commercial practice and a wide variety of clients. I am particularly keen to gain experience in the areas of Corporate Restructuring and Tax disputes.

I would greatly appreciate the opportunity to meet with you in person to discuss my application further. Thank you for taking the time to consider my application and I look forward to hearing from you in the near future.

Yours sincerely,

Liam O'Keeffe
