

Byrne Wallace
87-88 Harcourt Street
Dublin 2

Dear Sir/Madam,

I wish to apply for the position of Summer Intern in Byrne Wallace. Please also find attached a copy of my Curriculum Vitae, in which I have outlined my work history, qualifications and achievements to date.

I achieved a Bachelor of Business and Law from U.C.D. in 2013 and graduated with Second Class Honours Grade I. Subsequently I gained eight months legal experience mainly in conveyancing, insolvency and litigation in a small legal firm in Dublin's City Centre. I then went on to obtain the designation of Qualified Financial Advisor while working for just under two years in a financial services office mainly in pensions and investments.

I am very interested in pursuing a career in law and am currently studying full time to sit four of the FE1 examinations in the Spring 2016 sitting in March. I am therefore very interested in this position as it would allow me to gain further valuable experience in different aspects of the law that I have yet to deal with on a practical level and also permit me to continue with my studies. I also have some hands-on working experience in a few of the areas of law you deal with mainly insolvency/restructuring, property/real estate and financial services. I feel I would bring enthusiasm to this role while devoting professionalism and organisation to your firm.

Thank you for your kind consideration. I look forward to hearing from you in due course.

Yours faithfully,

Lisa Barnwelll
