Traineeship Application - Lloyd Youngson

Dear Sir/Madam,

I hope this letter finds you and the team at ByrneWallace well and firstly would like to sincerely thank you for the opportunity to review my Traineeship application.

I am very grateful to be given the opportunity to apply to ByrneWallace LLP as you represent one of the largest and most successful law firms in the sector today and it would be a privilege to join what is already a highly prestigious team at ByrneWallace. With your growing portfolio of public and private clients and your widespread coverage of many areas of law, there is no better place currently in the sector to begin a truly diverse education to professional legal practice. In particular I am blown away by the reputation ByrneWallace has built up for outstanding client experience. Placing the highest importance on customer service and ensuring all clients know their individual case is gaining the attention it needs and deserves, is a principle I have learned to place a major importance on during my 4 years in retail and my recent experience working in a smaller law firm where ultimately the success of the business is grounded upon customer and client satisfaction. As I complete my Fe1's I am now looking to secure my future with a top law firm in their field such as ByrneWallace and take such customer service and empathy skills and make a difference.

By way of background, I am from County Meath and have completed my Law Degree and a number of my FE1's and from reviewing your many trainee videos, I feel that I would be a great fit for the team at ByrneWallace. The success of completing my Law degree with a 2:1 Hons and now having a highly educational introduction to the legal world means I am ready, hungry and ambitious to take the next steps forward and begin training to be a full time solicitor. Furthermore and most importantly I also want to excel in my role and give back to ByrneWallace by working hard to assist with your continued and incredible growth.

I would like to take this opportunity to thank you for reading my cover letter. I have attached my Curriculum Vitae for you to read at your perusal and if you require any further information please contact me at your convenience.

Yours faithfully,
