**Re: Traineeship**

Dear Sir/Madam,

I refer to your Solicitor Traineeship as advertised on your website and would ask to be considered a candidate. I enclose a copy of my Curriculum Vitae.

I am currently in my 4<sup>th</sup> year studying law in Trinity College Dublin. I have received an overall II-1 grade in each set of exams I have sat to date and expect to achieve this result in my final exams this year.

I have interned in small and medium sized firms for the past two summers. Having completed these internships I feel I have gathered a sufficient understanding of and insight into the profession to be in a position to commit to training as a solicitor.

I am a diligent and ambitious person. I am patient, methodical and have an eye for detail. I believe I can bring enthusiasm, professionalism, care and attention to the role. I will perform this job to the best of my abilities if given the opportunity and believe I will be an asset to Byrne Wallace.

I look forward to receiving your earliest reply and I am available for interview at your convenience.

Yours sincerely,

Míde Neary
