**RE: Trainee Solicitor Programme 2024**

Dear Sir or Madam,

I am delighted to have the opportunity to apply for the Trainee Solicitor Programme 2024 at Byrne Wallace LLP. I was delighted to have seen on your website that you are accepting applications for the 2024 programme, and I hope that after reviewing my CV you will consider me a serious candidate.

I am currently in the process of completing my FE-1 examinations. I have completed two, I am sitting three in September/October and will be sitting my final three in March 2024. Additionally, my current role as a Legal Intern at Philip Lee LLP has given me an insight into working in a fast-paced, hands-on firm. I have gained experience in litigious matters as well as involvement in contentious Data Protection matters.

In Philip Lee I have worked on the Property and Data Protection Teams. I have experience working in Personal Injuries litigation from my time in O'Brien Lynam Solicitors. Thus, I have experience in a lot of client-facing work, which has led me to participate in numerous meetings, liaising with clients directly and note-taking in Competitive Dialogues.

Byrne Wallace LLP has a team of legal representatives possessing expertise in a wide variety of areas. My experience in Property Law, Data Protection Litigation and Personal Injuries Litigation draws me to your firm. I am a member of the pro-bono committee in Philip Lee, and I am aware Byrne Wallace engages in a lot of pro bono work, which excites me as I would welcome the opportunity to join your team of solicitors and get involved with your pro-bono committee.

I would be most obliged to join your team of solicitors and experience working in a law firm I admire. Thank you for considering my application and I look forward to hearing from you in relation thereto.

Yours faithfully,  
Maeve Lynch
