Dear Emily,

I am writing to apply for your Traineeship Programme 2022 at ByrneWallace LLP. I am a graduate from the LL.B. Bachelor of Laws degree in Maynooth University. Here, I have achieved a 2.1 result. I am also attending University College Cork for their part-time masters programme in Children's Rights and Family Law. Currently, I have commenced my FE1 examinations sitting Equity, Contract and Property this October and have completed the Criminal law portion so far. As you will see from my CV attached, I have completed internships with Arthur McLean Solicitors and Building and Allied Trades' Union, where I was able to obtain hands-on experience in both the legal and public sectors.

I am interested in working with your firm, as your work in the field of Child Protection law is outstanding. Specifically, I found from your recent Trainee Insights Webinar that the positive culture and variety of rotations to really stand out amongst other firms. From this, I was intrigued by your training and development approach as my research has shown that your firm offers a very hands-on approach. I have also found your commitment to a work-life balance to differ from other firms creating a very unique opportunity for a traineeship. With this I find a traineeship with ByrneWallace LLP to be very beneficial. I believe I am the right candidate for this traineeship as I have the experience and attitude to excel in this position. I enjoy challenges and have always found problem solving very satisfying.

I would welcome the opportunity to be considered for your role within ByrneWallace LLP. As my experience and education indicate, I have a serious interest in law and the impact this plays in the world. I look forward to hearing from you so that I can discuss with you my CV and some of my previous roles. I can be reached at any of the contact details below. Thank you for your consideration.

Yours sincerely,
Mark Smith.
