

Dear Byrne Wallace,

I am applying for the 2020 Summer Internship Programme,

I would love to be a part of the programme and immerse myself fully in everything that Byrne Wallace has to offer from the social side of things right through to the hard work. I am presently a third year Business and Law Student at UCD, and will be a final year student at the start of the programme.

I think I am well able for the program and if selected I looked forward to bringing everything I have to offer to the programme.

I appreciate you taking the time to review my application and I look forward to hearing from you.

Kind Regards,

Michael O'Brien
