REF: Byrne Wallace internship

To whom it may concern,

I wish to apply for the internship position as advertised on the Byrne Wallace website. My experience and education make me a perfect candidate for this role. As requested, my curriculum vitae is attached below for your perusal and consideration.

In May 2018 I will be an undergraduate law student from Griffith College Dublin. I have experience in an internship role and have also demonstrated excellent interpersonal and organisational skills in this role. I have shown motivation, dedication and initiative in all work. I participate well in a team but perform great in a leadership role if required.

I am applying to Byrne Wallace because I wish to be trained by leading lawyers in their field and the Law Firm of the Year Award in 2016 highlights that Byrne Wallace can provide me with this outstanding education. I strive to also be a leading solicitor in my area of law and so I believe I will fit in well with the Byrne Wallace team. I admire the dedication to client satisfaction and the progressive and forward-thinking approach of this firm.

I look forward to hearing from you and thank you for your time.

Yours sincerely,

Michaela Delaney
