

Dear Intern Programme Manager,

My name is Muireann Morrissey. I am a twenty three year old recent LL.M graduate with a passion for the law. I am writing to you with a great deal of interest with regard to the position of legal intern at Byrne Wallace. I feel as though I would be a highly suitable candidate for a place on the summer internship programme. I would like to thank you in advance for taking the time to read this cover letter.

I have just graduated from my LL.M Masters in Law at Trinity College Dublin. I obtained a final grade of Upper Second Class Honors for this Masters. This Masters provided me with a more advanced awareness of the law as well as its role in society. Previous to completing this Masters I obtained an Upper Second Class Honors in a BCL (Law and Society) Undergraduate degree at Dublin City University. During my time at Dublin City University I completed a study abroad year at Arizona State University where I held a 3.75 GPA. This study abroad year allowed me to have a more diverse education as well as a broader cultural outlook and an in depth knowledge into the American legal system.

I am currently working with the health and fitness department at Google's European Headquarters in Dublin. I would love to become a Byrne Wallace intern because I believe it is the best possible firm that I could learn from and gain experience with. The internship programme at Byrne Wallace sounds challenging, dynamic and full of opportunity to work alongside Ireland's top solicitors. The fact that Byrne Wallace won Law Firm of the Year at the 2016 Irish Law Awards highlights the excellence of the firm.

I have a significant interest in commercial law and would love to gain experience with Byrne Wallace. I am a passionate, hard working and self-motivated person who loves working as part of a team. Due to my academic background, legal work experience and hard working attitude. I believe I could contribute in a positive and energetic way to the Byrne Wallace team if chosen for this internship. I thoroughly look forward to hearing back from you regarding this position.

Sincerely,  
Muireann Morrissey
