Dear Sir/Madame,

I am applying for a traineeship with your firm to help me in my path to become a qualified, practising solicitor.

I graduated in Commerce in University College Dublin and, having then worked in various jobs in industry, I discovered that my interests and skillset were best aligned with a career as a commercial solicitor.

I am determined to achieve this goal. I have secured a role as a legal executive in a commercial law firm in Dublin and I have passed all of my FE-1s.

I would be delighted to get the opportunity to use and develop my existing skills and knowledge in your firm. I have excellent written and oral skills, keen attention to detail and a thorough approach to research. I am an extremely hard worker and I work very well as part of a team.

Thank you for your time and consideration.

Yours faithfully,

Neil FitzGerald
