For the attention of your Recruitment Manager,
At ByrneWallace,
88 Harcourt Street,
Dublin 2

27/01/2017

I would like to be considered for the Internship role that you have made available within ByrneWallace.

I am a recent graduate of Law (LL.B.), who graduated first in his class with a first class honours degree from the Dublin Institute of Technology. I am determined to pursue a legal career as a solicitor post graduation. I completed 4 of my FE-1s in October 2016, and will undertake the final 4 in March 2017.

I wish to become a Legal Intern for ByrneWallace as it appears to be an excellent way to gain extensive experience in all areas of legal practice in what is one of the leading award-winning law firms in Dublin, with a prestigious reputation for excellence in service. Meeting and working with the people in your firm would be very desirable to me, as if I were to become an intern in your firm, I would obtain dedicated training from some of the most respected and experienced solicitors in Ireland.

As you can see from my enclosed Curriculum Vitae I have work experience as a manager in a major Irish Tourism Company and I am currently working in a Government Department. I have both private and public corporate experience. I believe my academic achievements combined with my years of corporate experience would mean that I would be able to quickly familiarise myself with your firm and I would become a contributing member of your team at ByrneWallace in short time.

I wish to pursue a career in law because I have a real and genuine passion for the field of study. I love to read books, opinions and the latest law reviews on various aspects of law and have been amazed at how the law can be a part of virtually every aspect of everyday life. I also enjoy writing legal papers and legal opinions. I hope to publish works which might one day guide the law. I believe a career in this field would be both rewarding and exciting to me.

I am also an articulate and assertive person. I believe I have the right aptitude, skill set, and keenness to practice law and carve a career for myself as an effective and skilled solicitor in the future.

Thank you for your consideration, and please see attached my CV.

Respectfully yours,

Pádraig Mac Aodha LL.B. (Hons)
