Dear Ms. Onslow,

I wish to be considered for a position on the ByrneWallace Summer Intern Programme.

I am a final year postgraduate law student at University College Dublin. I hope to pursue a career as a solicitor upon graduation and I consider the ByrneWallace Intern Programme as an exceptional opportunity to further my legal experience at a leading Irish law firm.

I have recent work experience in both commercial law and financial services. I have an advanced capacity to work well within a team and to engage with clients, colleagues and management in a professional setting. Moreover, I believe that my combination of skills and experiences would facilitate me to make a strong contribution in the position of summer intern at ByrneWallace.

I look forward to hearing from you shortly.

Yours sincerely,

Patrick W. Conlon.
