To whom it may concern

I noticed with interest that you are taking on interns for the summer for students interested in a legal career in the future. I have attached a copy of my CV for your consideration.

I am currently a Diploma in Legal Studies and Practice in Griffith College Dublin. I am a mature student and so, as you will see from my application in reference to the points you asked for, I could not give an exact number. At the time of my Leaving Certs there was no such thing as B1, B2 or B3 therefore I do not know how to calculate them for you.

I have completed 3 subjects in my Diploma to date –
Law of Tort – result pending
Ethics – 73%
The Irish Legal Systems – 65%

I have been told by my Lecturer in Tort that my work ethic and enthusiasm is very strong. I enjoy participating in class and get on well with my classmates and other Lecturers alike. I am very diligent and believe in 100% commitment to anything I undertake. I feel I would benefit from the programme as I do not intend finishing with a Legal Executive qualification. I would like to progress onto the Griffith College LLB degree and to complete the FE1's and qualify as a solicitor. To this end I feel I would benefit greatly from this internship opportunity.

Yours sincerely
