Byrne Wallace

Dear Sir/Madam,

I am writing to you to enquire about an opportunity to work within Byrne Wallace on a internship during the Summer of 2020, in your Dublin Office.

So far in my college career, I have achieved an average of 67.5%, and I hope to finish 3rd year with a high 2.1 and to complete my degree in Corporate law with that same result.

I am ambitious about starting a career in your firm, and if I am a successful candidate for the internship, I will apply the skills I have gained from previous internships to produce the highest quality of work I can and also to take the opportunity to get an understanding of how your firm performs and continues to be so successful.

Yours sincerely,

Robin Marshall
