Re: Trainee Recruitment 2022

Dear ByrneWallace LLP,

Please find attached my Curriculum Vitae, supplementary to my completed application form.

Having recently completed my Masters of Law at Dublin City University, I am currently seeking an opportunity to take my first step to becoming a Solicitor and I feel ByrneWallace has the right learning environment with reference to my own personality in fulfilling my professional potential.

Please feel free to contact me requesting references or any further information or documentation.

Thank you and I look forward to hearing from you.

Kind regards,

Ruairi Devlin
