

Hi Sir/Madam,

I am Sandy, currently doing master in Marketing at Dublin Institute of Technology (DIT). I am a hardworking and passionate person. I am always ready for challenges as I think it is a good way of learning. I like to expose myself to new things so I actually take an extra coding course outside of the course module. Learning process is always hard but I will work hard to achieve my goals.

Thank you for your time if you are reading this.
