It was great to meet you all at your most recent Open Evening. I was made welcome by so many people and enjoyed a very informative evening.

After meeting and discussing the career opportunities within ByrneWallace, I am convinced that my background, work experience and qualifications all combined make me suitably qualified for your requirements.

Please find enclosed my form of application and Curriculum Vitae. Should you required any further information or references, please do not hesitate to contact me.

Thank you for the kind consideration afforded to my application.

Sincerely,

Seán Dineen.
