Dear Sirs,

Thank you in advance for taking time to review my Curriculum Vitae.

I'm a recent college graduate in Law and Politics from Dublin City University and I am currently in the process of completing my FE-1 exams. As of now I have successfully completed exams in Property Law, Criminal Law, Tort Law and EU Law, and look forward to completing some in October 2022.

I have worked throughout my studies and am currently working in Hayes Solicitors LLP in an internship programme. Over the course of my studies I have gained valuable interpersonal skills, communications, and organisational skills, through College and my Part-Time work. I have also had the pleasure to work with a Barrister at Law in the Law Library and have recently served on a jury within the Criminal Courts. This experience has given me more ambition to pursue my passion for law

I am looking to gain more experience in a legal environment to advance my skills and knowledge and to advance my career. Byrne Wallace's extensive areas of practice are a huge appeal to me and I would love to be learn more niche areas of law. I would appreciate if you could consider me for the 2023 Trainee Programme as I believe Byrne Wallace will offer me valuable insight and experience. I would like to thank you again for taking the time to review both my cover letter and Curriculum Vitae.

Sincerely,

Sinead O'Brien
