

February 1st, 2019

Dear Sir/Madam,

During my research of solicitor internship opportunities in the major law firms in Ireland, I was struck by the broad client base, range of corporate social responsibility and business ethos associated with Byrne Wallace. I have familiarised myself with the firm's history, culture of excellence and position as one of Ireland's leading law firms. As a recent Commerce Graduate, I am hoping to pursue a career in law. I am currently studying for four FE1 examinations in March and I am looking forward with enthusiasm to beginning my solicitor training in 2019.

Byrne Wallace appeals to me because of their reputation in local and international business affairs. I am particularly impressed in the firm's strong reputation as the first and only large Irish law firm certified with ISO 27001 by Certification Europe in Ireland. As well as Byrne Wallace's excellent reputation in a wide variety of practice areas, both their Trainee and Internship Programmes are recognised as one of the firm's great strengths.

I have submitted a strong curriculum vitae highlighting a consistent level of achievement as well as a wide variety of unique extra-curricular activities such as charity work and an interesting profile of part-time employment. You will see from my CV that I have demonstrated excellent time-management skills and leadership qualities, particularly during my final year of college. Through my different working relationships I have developed leadership and communication skills that I will be able to bring to my internship.

During my time in university, I have balanced academic studies (consistently obtaining a 2.1 score), with an active social life and extracurricular activities while maintaining part-time employment. This gives me the confidence to believe that I have the necessary attributes to meet the challenges and demands of the Byrne Wallace Summer Internship Programme.

I hope I am fortunate enough to discuss my application further with you and look forward to hearing from you in due course.

Yours sincerely,

Sorcha O'Loughlin
