Manager of the Trainee
Programme
ByrneWallace

88 Harcourt St, Saint Kevin's,
Dublin, D02 DK18

To the Manager of the Trainee Programme at ByrneWallace,

My name is Taylor Fewer and I am applying for a position in the ByrneWallace Trainee Programme as advertised on your website and at the UCD Law Careers Fair. I am looking to join the intake of either 2020 or 2021. I am interested in your firm due to its high standard in the practice areas of Corporate and Financial Regulation, amongst others. I am also incredibly interested to join your team due to your commitment to employment diversity, your strong national and international presence and your community outreach work.

I am an exceptionally motivated final year law student at UCD studying Pure Law. As a native of Canada, I bring a global mindset and a particularly strong fluency in the French language. With a vastly creative background, I am adept at thinking outside the box, pushing my boundaries and taking on new challenges. Having won two scholarships for my academics and commitment to being a well-rounded individual, one to attend high school and one to help attend UCD, I know what it takes to go above and beyond in service and this is an attribute I would bring to the firm of ByrneWallace.

My previous experience as an intern at Dechert working in a highly specialised Finance and Funds Investment legal environment and multiple experiences serving as a sales associate has given me the relevant skills and knowledge that make me an ideal candidate. From balancing school and my extra-curricular activities, I am very efficient at time and task management, quick and logical at decision making and being distinctly organized. I do not fear challenges and welcome any opportunity for team work and discussion.

As a Trainee at ByrneWallace I can offer you a focused and dedicated candidate, willing to put in the work and effort that it takes to be a strong representation of your firm. I hope this application finds you well. Please do not hesitate to contact me at the above email or mobile number. I look forward to hearing back from you.

Thank you for your consideration,

Taylor Fewer
