Dear Madam,

I am writing in relation to the trainee application for your firm. I believe I am an extremely suitable candidate and would be very interested in the position.

In 2019, I have worked for ByrneWallace as a paralegal for most of the year after interning in their office in the summer of 2018. This experience was completed after the completion of my BCL degree and in conjunction with the study for my FE1 exams. I have dedicated the past four years of my life to reaching the destination of Trainee in a top tier firm and I truly want to achieve that goal. I have shown myself to be a mature, positive and hardworking individual, who always strives to achieve the highest standard possible while working in ByrneWallace. I feel strongly that I fit very well into ByrneWallace, attitude-wise and socially. I would bring a determined and thoroughly decent outlook to each day as a trainee and wish to learn from the best in a firm I know I would do very well in.

I hope to be highly considered for interview.

Yours Faithfully,

Tom Anders
