

Future-proof your access to the EU

Financial Services Breakfast Symposium | April 7th 2017

Are you a UK company looking to use Ireland as your twin track strategy to future-proof your access to the EU?

You are invited to attend an exclusive breakfast symposium on 7th April 2017 to find out why Investment Firms, Insurance Firms and Banks are in the process of establishing EU facing operations in Ireland.

This event will open new doors for UK businesses seeking to complement your UK operations by setting up a base in Ireland to access the EU. The event will feature speakers from companies who have recently internationalised using Ireland as a base in Europe.

Attendees will include CEOs, CFOs, CIOs, Financiers, Accountants, Legal Advisors, Facilities Managers, Heads of HR, Investment Firms, Insurers, Banks, UK business leaders and Irish Government agencies.

Events are free for UK companies and advisors
